

## Slingshot Rentals Protection Plan

At Rva Hot Wheelz, we want to ensure that your slingshot rental experience is both enjoyable and worry-free. That's why we require all customers to have our protection plan, which offers you peace of mind during your rental period. Here's how our protection plan works:

### Basic Protection Plan (\$10):

- Cost: \$10
- Refundable Deposit: \$750
- Maximum Charge for Damages: \$750

With the basic protection plan, you pay a \$10 fee and leave a refundable deposit of \$750. In the unfortunate event of damage to the slingshot during your rental, the maximum amount you will be charged is \$750, provided the damage falls within our terms and conditions.

### Enhanced Protection Plan (\$20):

- Cost: \$20
- Refundable Deposit: \$500
- Maximum Charge for Damages: \$750

For enhanced protection, you can opt for our \$20 insurance package. This option requires a lower refundable deposit of \$500 while still capping the maximum charge for damages at \$750. This plan offers a balance between coverage and affordability, giving you added protection during your rental period.

### Additional Information:

- The protection plan must be purchased before the rental period begins.
- Any damages beyond the maximum charge limit will be assessed separately.
- The refundable deposit will be returned to you upon the safe and undamaged return of the slingshot.

By choosing one of our protection plans, you can focus on enjoying your slingshot adventure without worrying about unexpected costs. Our team is here to assist you with any questions or concerns regarding our protection plans.

We look forward to serving you at Rva Hot Wheelz and making your slingshot rental experience memorable!
